**We Believe in a
U.S. Constitution
and Democracy
that is of the
People, by the
People, and
for the People—
*and so do you.***

...And we invite you to join us.

You are a champion for democracy and you have made an impact. Yet, there is a growing movement underway to radically reinterpret the U.S. Constitution, corrode our fundamental freedoms and subvert the will of the people. We defend democracy today but will the next generation of leaders have the resources to needed against the next raft of challenges?

The ACS Legacy Society is an opportunity to invest in the long-term health of our collective democracy and ensure ACS and its progressive network can fight to preserve our foundational freedom long into the future.

The ACS Legacy Society will ensure ACS can meet the moment to secure a truly inclusive, multi-racial democracy.

Join the ACS Legacy Society today and ensure that generations to come will have the wherewithal to defend our democracy.

As a 501c3 non-profit, non-partisan organization, ACS supports and advocates for legal systems that strengthen our democratic legitimacy, uphold the rule of law, and repair the enduring inequities in our laws in pursuit of realized equality.

With 250 lawyer and law school chapters, including 55 working groups in 42 states, we are the largest progressive legal pipeline, bringing together lawyers, students, scholars, judges, elected officials, and advocates in support of laws and legal systems that safeguard democracy, uphold the rule of law, and improve the lives of all people.

We hope to honor you in this collective fight for a truly inclusive, multi-racial democracy. By joining The Legacy Society, you will continue to preserve our foundational freedoms for years to come.
